## About DAAK GAADI

DAAK GAADI is a Gurgaon Based Transportation and Air/Surface Service Providing Company Which Provide Services from Delhi/NCR to All India with Quick and Trackable Response and tools.

At DAAK GAADI, we have pioneered a unique operating model of driver relay coupled with technology to make logistics more reliable, safe and faster. Through our model, we address the core issue of driver availability and lifestyle, and provide significant improvements to clients:

- **Air/ rail equivalent transit times** at lower costs – achieved through ‘non-stop’ run of vehicles using driver relay
- **Lesser damages** – achieved through less trans-shipments, use of customized safety devices and improved loading plans
- **Lesser pilferages** – through enhanced surveillance and tech enabled controls
- **Improved transparency** – through owned vehicles and real-time tracking **Precision** – through end-to-end use of technology in the movement
